

Urban Methodist Youth Camp

2020 Pastor's Guide

Use this guide to help provide a successful camp experience for your youth. With limited camp scholarship funding available, we ask all churches to double their efforts to help youth from their congregations and neighborhoods to come to camp. Scholarship funding is on a first come, first served basis.

1. March 1 is Camp Sunday. Invite a camp team to your church to present information (during service) and answer questions (after service) and distribute Camp 2020 information. (Contact Audrey at amangumsav@gmail.com and include your phone #.)
2. Identify a "Camp Coordinator" who will be the contact person for your church.
3. Begin Announcing in church that the **deadline for those seeking scholarship aid for Camp 2020 is March 15, 2020.** A scholarship form is attached. The total cost is \$300 per youth.
4. Each local church should plan to give at least \$50 towards the cost of every youth who registers for camp from the church.
5. Fundraisers for Camp 2020 should begin as soon as possible for those youth who want to go to camp. Monies raised should be spread between these youth.
6. Fundraisers should be safe and supervised by trustworthy adults from the local church (e.g., car washes should be in a safe area away from traffic and supervised by a trusted adult from the local church).
7. An initial payment of \$75 per youth, along with the registration form, should be sent to the camp registrar by April 30, 2020 (on-line at www.umuya.org, regular mail or in person at 8000 Woodward Avenue, Detroit, MI 48202) to secure the place of the camper. The first 110 campers will be received.
